

Registering your volunteer event for improving public lands is simple and rewarding. When you make your event a Take Pride in America® participating event, you can draw additional volunteers and community support through the resources of the Take Pride program.

EVENT GUIDELINES

Just follow these six simple guidelines when planning your event and be sure to register it on our website. Events meeting our criteria will automatically be placed on our online calendar and appropriate volunteer search engines on our website.

All Take Pride in America events must:

1. Be publicized as a Take Pride in America event;
2. Feature prominent use of the Take Pride in America logo and/or banner;
3. Follow all appropriate laws and regulations, including, as necessary, obtaining permits and forms, meeting safety requirements, and securing volunteer agreements and parental approval;
4. Take place on public lands or private lands with the owner's consent, so long as there is a great public benefit;
5. Reflect a positive message of cooperation among Federal, state and local governments, private enterprises, and/or civic organizations; and
6. Be an "on the ground" project rather than an advocacy event.

At the dedication of Stockton, California as a Take Pride in America City, children planted flowers during a school beautification project.

TAKE PRIDE VOLUNTEERS

Being a Take Pride in America volunteer is fun. Here are the two ways to become a Take Pride volunteer:

1. Participate in a Take Pride in America event. You are automatically considered a Take Pride volunteer for that event, and any subsequent Take Pride events in which you participate.
2. Visit our Partner's website at www.TakePride.info and log your volunteer hours to become a "Friend of Take Pride." By keeping track of your volunteer hours, you are eligible to receive individual recognition for your volunteer efforts from Take Pride and its partners.
